FEBRUARY MEETING

The final results for Mega model of the month are in. Max Brown won first place with a big Fokker D-7. Jack Johnston won second with a .91 glow powered P-47. Jeff Mains won third place with an Axi powered electric P-47. Other models presented were a Lil Rascal electric by Walter Hadley and an electric Piano plane Gentle Lady built by Dale Goff. Also shown were a flying lawnmower and a slo poke. Crash of the month was won by Steve Buck for crashing his 1/2 scale Spruce Goose. Talk about a bunch of balsa. Actually I can't remember what he was flying. Ed Brazzell came in second when he had a crash because he hooked up his ailerons backwards. I would think that would be a shoe in for first place. Paul Christain won the \$10.00 drawing. Mitch and Don won two and one items from the box respectively. The U.S. Scale Masters will be held in Muncie in October and our own Mitch Baker will be the District Co-ordinator Scheduler Organizer Gopher Thingamabobber. Good Luck Mitch, we know you will do a great job. I found a way to save a lot of money this Valentines Day. I took my wife to Walmart and had her pick out a card, read it and put it back. This may not work for everyone so try it at your own risk.

For a good time
