## MARCH MEETING

A bunch of stuff was brought up at the March meeting. Unfortunately none of it was interesting enough to write about. So lets talk about me. When I was just a little bitty baby my momma would rock me in the cradle..... OK that's enough. Mike Perkins will be serving beans and ham at the April fun fly. Music will follow. I hope he serves them early in the day to add to the difficulty factor during the flying. The Terre Haute Air Fair is a long way off but now is the time to start preparing. We need lots of volunteers and lots of airplanes. We will probably get some free or discounted tickets. Hey bring a plane and get in free. That's kinda like the 'bring a canned good and see a free basketball game' only better. Model of the month was won by John McGuire who displayed an L-19 Bird Dog powered by an E-flite 400 outrunner. Chris Bishop also showed us his Easyglider powered by a Speed 400. Electric is catching on and you didn't hear it here first. Joe Buck, Joe Buck and Don Huber won the drawings last month. Steve Buck won crash of the month. Wait a minute, who won last month? Could Steve be trying to take the coveted trophy from Duwayne? Could Duwayne be flying better? Could Steve be flying worse? Could Duwayne be flying less and Steve more? Is Britney Spears pregnant again? Stay tuned next month for answers to all these questions and more. By the way Oprah is still not returning my calls.

For a good time
