APRIL MEETING

I missed the April meeting so Mitch is punishing me by making me put the minutes from the meeting in the newsletter. Well here they are, 7:30, 7:31, 7:32, 7:33, 7:34, 7:35, 7:36, 7:37, 7:38, 7:39, 7:40, 7:41, 7:42, 7:43,.....8:22, 8:23, 8:24. If I missed any let me know and I will print them in the next newsletter. Here's what happened at the last meeting. J. Johnston made a motion to put \$500 in a mower fund. It was seconded and passed. We have a decline in membership from 80+ in 2004 to only 37 currently. I blame management but then I always do. A cost study is being done to see if we can use insecticides to kill the grubs that are attracting the moles. The cost study will cost around \$1000.00 but the insecticide is \$27.50. Jack Thorton (former guest speaker and Corsair pilot) asked the members if we could obtain a speaker and a static or flying display to be done at the Elks Club in the future. Volunteers needed. Benches need to be painted at the field. Volunteers needed. Crash of the month was John Buck with an Uproar lawn dart. No volunteers needed. We have plenty. Raffle: Joe Buck won \$10.00, Steve Buck and David Hill won items from the toy chest. Boy if I had a Buck for every time Buck was in the newsletter, I would have a lot of bucks. FYI. It is tick and poisonous plants season. If you have to go into the woods to retrieve an airplane (why would you land in the woods?) or a mushroom try to wear long pants, long sleeves and sturdy shoes. It might be a good idea to take extra clothes and insect repellent to the field with you. We you leave the field try to take a hot soapy shower as soon as possible and have one of your loved ones or a close friend check you for ticks. They may be close friends when they start checking and loved ones when they finish. Look closely as some ticks can be only slightly larger than the head of a pin. No one has asked what the numbers are after the fun fly food providers. Oh well.

For a good time
