JULY 2006

## 2006 Warbirds

We had 11 pilots at the warbird event this year. The profit for the club was \$192.00. Thank you to everyone who helped and participated in the event.

## Crash of the month

Ed Brazzell won crash of the month by crashing his Twist. I didn't see it but I think it burst into flames in midair and rained down fire into the woods. H.C. volunteers took two hours to control the blaze. No casualties.

## JUNE MEETING

Sung to the tune of "Camp Granada"

Hello Mother, and Uncle Bub  
Here I am at, The R/C club  
Meetings lively, entertaining  
And they say that we can fly if it stops raining.

To kill the moles, we made a motion  
It was approved, to buy the potion  
Then a jarhead, found a live one  
Now it's days of living on this earth are done.

We saw three planes, built by Joe Buck  
And a Lancair, needed some luck  
By D Lindsey, a Super Pro  
He won the contest and then did some touch and goes

For the meeting, we had some food  
A carry in, it tasted good  
We had a pie, and a hot dog  
And we stuffed ourselves until we looked like hogs.

We brought a plane, for a photo  
It was cloudy, that's how it goes  
By Mitch Baker, no photos taken  
I think he is afraid his lens would be a breakin"

Jimmy Nolan, met the new guy  
At Pfizer's plant, asked could we fly  
As for the field, we can keep it  
He told a long story and then said don't repeat it.

Then the drawing, after diner  
For some prizes, picks a winner  
Mitch won two times, he's a winning  
Cody won two from the box and he's still grinning.

Wait a minute, it's stopped pouring  
Guys are flying, Planes are soaring  
There's a glider, been up a while  
Hope you liked this letter and it made you smile.
