

THE DOPESHEET

DECEMBER 2006

This just in. Several residents in the small midwest town of Huber Bluff, located in Goff county reported seeing a huge fire ball in the sky. Shortly afterward they reported the ground shaking. Seismic instruments at the University of McGuire confirmed this. Reporters from channel 10 a station near Jarvis and Buck streets rushed to the scene. Upon arrival they met with Baker Nolan who informed them the shaking was from an R/C crash by Ed Brazzell and the fireball was from the club hot dog cooker of which Ed ate the last one. Late night news reported "no casualties".

NOVEMBER MEETING

Be sure to check out the changes in the calendar this month. The guy who does the newsletter wasn't paying attention in October or November. You just can't get good free help anymore. Jimmy read a thank you note from the Shriner's and one from Jean Huber. Our club has achieved Gold Club status and a plaque is in the mail. A motion was made and passed to allow the prior Man of the Year to choose the next candidate. Rats, I can't remember who is was last year so I don't know who's butt to kiss this year. We had the annual club auction. The nomination of officers for 2007 are president Jimmy Nolan, vice president Duwayne Lindsey, secretary Tom D'auria and Cody McGuire, treasurer Mitch Baker, newsletter Jeff Mains and field marshall Max Von Brown. There was no model of the month. Don Huber won the \$10.00 drawing and donated it back to the club. Cody and Gene won items from the treasure chest.
