

THE DOPESHEET

DECEMBER 2007

Walt Hadley is looking for some Futaba receivers with the model number FP-R128DP. He would like to purchase three or four and would like channel 52 if possible. His number is 812.877.0961

Opie is back

Opie Windfrey has said she will be at the Christmas dinner this year (free food always has a good draw). I didn't really talk to her or her agent or her publicist or her headmaster of the girls school or her hair dresser or her butler or her gardener or her fan club president, but I did talk to the janitor who works where they make the bobble head Opies and he said it looked promising. Oh baby oh yeah!

NOVEMBER MEETING

The fun fly for October was cancelled due to high winds. The meeting in November had high winds too but it was not cancelled. Go figure. Don't forget the Christmas dinner on December 16 at Fowler Park. It's a carry in and a carry out. Socialize at 5 and the meal will be served at 6 p.m. Come early and help out if you can. Nominations for club officers were made. The position of club president was hotly contested by no less than one person. We are not sure he can hold the position because his name was misspelled on the ballot and he was receiving government funds. The ultralite club is having a meeting on Dec 1 on Highway 63. Doc is going to discuss having a flying demo at their field. Doc volunteered to direct pylon racing for 2008. Tom will take over the fun fly contests. The program for the December meeting will be a presentation about the Scale Masters by Mitch Baker. No model of the month. Mitch won \$10.00, Tom won two items and Gene won one item. The crash of the month is a mystery because my notes say, "HOOP, DANGLE, CRASH, and I can't remember what that means. I bet it was something really funny too.

Newsletter Position Available Soon

I would like to let every1 know that the December issue of the newsletter will be my final issue. I have been editing the newsletter for seven years and need a break. I want to thank everyone for putting up with my cents of humor and weird commentariness. Have a politically correct holiday season and **PRAISE JESUS.**

For a good time
