February Meeting Notes (As reported by Tom D'Auria)

Old Business:

12/14 Christmas dinner date not available.

12/21 is the only date available at the park.

Other places like Kleptz or Logans Ribeye will be checked out. Mitch will call.

New Business:

Jimmy said members are not supporting club events. We would like to see more participation in the events sponsored by the club. Club cleared \$170.00 at the swap meet. Jimmy suggested need for a public relations man. Vote to renew AMA charter was approved. Cost was \$90.00. Jimmy tried but was unable to contact Pfizer plant manager Frank Foley. The future of the flying site is uncertain. **BUT THERE HAS BEEN NO WORD ABOUT HAVING TO VACATE!!! Mitch said cost of newsletter printing varied last year from \$15.00-\$30.00 per month. Kinkos gave a set quote for 50 copies, 6 pages stapled \$15.30 or 27.60 with one color page. Steve Buck stepped up to do the food for July Funfly. Current membership stands at 32 paid members.**

Model of the month entries:

Jeff Mains has survived surgery, and we're happy to report he no longer has a carp in his tunnel. (whatever that means) We were told however, the bionic implants he received had not been fine tune adjusted and this caused him to tear the right gimble out of his transmitter so we may not see him at the field for awhile. On a brighter note the return visits to the doctor will not interfere with his tickets to the Oprah show!

Fun Fly

There is a \$4.00 entry fee for the first class and \$2.00 for the second.

Got e-mail from Doc Gray suggesting we have a cookout/test fly for folk heading to Mint Julip. It will be on the agenda for the next meeting but keep Saturday May 10th open.

I am looking for articles to put in the newsletter. Product reviews, helpful build tips anything. Please send in submissions for the newsletter to mbaker@thrcc.org.

Speaking of thrcc.org.. Remember we do have a web site and I try to keep it up to date as possible. Lots of pictures of events. <http://www.thrcc.org>

FunFly's... Come on out and support your club. We have a montly club funfly. We eat, fly events and have fun. Just come out and see what is going on. For those beginners, we have a Novice class. Only restriction is you have to fly a trainer type plane. Come build up your flying skills. This year we have moved to a total of three classes. Novice (mentioned earlier) Nitro and Electric. Join the fun and food. Main dish is brought in by a club member and every one else just brings a side dish.
