~ Jim Nolan and Gene Jarvis met with the Mr. Rader from Phizer about the status of the field. They are receptive to donating the land to the club through some agency. They were going to present the proposal to their higher ups and would get back to us in January. We are still looking for land to move to if needed. If you know of someone or company with 60-70 acres of land who might be willing to help the club, contact Jimmy.

~January's meeting will be at Kirby Risk, will feature a biscuit & gravy breakfast compliments of Mike Perkins (thanks Mike), and the long awaited Mega model of the month contest. Gift certificates from Joe's will be awarded. \$50 Best scale, \$50 best sport, \$30 second place, & \$20 for third place.

~We will continue to replace the old wooden tables with new plastic ones as voted on a couple of years ago.

I am looking for articles to put in the newsletter. Product reviews, helpful build tips, anything. Please send in submissions for the newsletter to mdbaker@thrcc.org . Speaking of thrcc.org.. Remember we do have a web site and I try to keep it up to date as possible. Lots of pictures of events. <http://www.thrcc.org> FunFly’s... Come on out and support your club. We have a monthly club funfly. We eat, fly events and have fun. Just come out and see what is going on. For those beginners, we have a Novice class. Only restriction is you have to fly a trainer type plane. Come build up your flying skills. This year we have moved to a total of three classes. Novice (mentioned earlier) Nitro and Electric. Join the fun and food. Main dish is brought in by a club member and everyone else just brings a side dish.

IMPORTANT! IMPORTANT! IMPORTANT! IMPORTANT!

Included in this this newsletter is a copy of the current Club Application. Please fill this out and return to me with your dues. They are \$45.00 for the year. My address is on the application. At a minimum I need your name, address, AMA number and a current contact number. Also an e-mail address would be helpful as I send out copies of newsletters and last minute notification to the club via e-mail.
